Lesson 1 我们去机场接你们

课文 1

Liu Ming: Is that Yang Tongle? Why is he with Bai Jiayue?
Wang Yixue: That's not Yang Tongle. That's Li Wen. He's a good friend of Bai Jiayue.
Liu Ming: Oh, I thought it was Tongle. They do look a bit alike.
Wang Yixue: Yes, they look somewhat alike, but he's taller than Tongle—about 1.8 meters.
Liu Ming: And he looks a bit thinner, too.
Wang Yixue: Jiayue and Li Wen are coming to Beijing next week. I'm going to pick them up at the airport.
Liu Ming: What day will they get here? I'll come with you to pick them up.

课文 2

Bai Jiayue: Why hasn't my luggage shown up yet? Could it be lost?
Li Wen: What does your suitcase look like?
Bai Jiayue: It's a black one with my name and phone number on it.
Li Wen: It seems I've seen one like that somewhere. Could someone have taken it by mistake?
Bai Jiayue: Let's quickly find someone to ask. There are quite a few important things in it.
Li Wen: Don't worry. Let's take our passports and plane tickets to the service desk and ask there.

课文 3

Liu Ming: The plane arrived a while ago. Have you seen Bai Jiayue and Li Wen?
Wang Yixue: No, they should be coming out any minute now.
Liu Ming: Let's stand in the middle so it'll be easier for them to spot us.
Wang Yixue: Look, is that tall guy Li Wen?
Liu Ming: Which one do you mean? The young man with short hair, wearing black?
Wang Yixue: Yes, that's Li Wen! And look, Jiayue is right behind him.

课文 4

Yesterday I arrived in Beijing. Though the journey took more than ten hours, sitting next to Jiayue made the time pass quickly. When we arrived at the airport, Jiayue found her suitcase missing. So I took her to the service desk and helped her retrieve it. By the time we left the airport, it was already past 8 p.m. As soon as we stepped outside, we saw Ms. Wang's cousin, who looked younger than in her photos. In the evening, Yixue took us to a Chinese restaurant with amazing food.

Lesson 2 你们想吃什么就点什么

课文 1

Wang Yixue: Jiayue, Li Wen, take a look at the menu. What do you feel like eating?
Li Wen: Thank you, Yixue. I'm good with anything—why don't you go ahead and order?
Bai Jiayue: After such a long flight, I'm really
