hungry and thirsty.
Wang Yixue: Then let's order plenty—don't be shy. What would you like to drink?
Bai Jiayue: It's been ages since I've had Chinese tea or *jiaozi*. I'd like some green tea and *jiaozi*, if that's okay.
Wang Yixue: No problem. Have another look and see if there's anything else you'd like.

课文 2

Wang Yixue: Waitress, could you please bring another pair of chopsticks, a spoon, and a bowl?
Waitress: Certainly. Please wait a moment—I'll bring them right away.
Wang Yixue: The service here is always warm and welcoming, and all the dishes are delicious. Give it a try and let me know what you think!
Bai Jiayue: Every dish is delicious. The dishes you ordered are really great.
Wang Yixue: The food here is both affordable and tasty. We come here so often that the staff already know our favorite dishes.
Waitress: Ms. Wang, since you're such a regular customer, we'd like to offer you some complimentary fruit today. Please enjoy!

课文 3

Bai Jiayue: This chicken rice is so delicious! I'll definitely come back for it again.
Li Wen: You can take this menu with you and check what else you might want to order next time.
Wang Yixue: No need to take the menu. You can check it on your phone and even place an order for delivery.
Bai Jiayue: They do delivery here?
Wang Yixue: Yes! Many restaurants offer delivery these days. You can order whatever you feel like.
Bai Jiayue: That's really convenient!

课文 4

Over the years I spent abroad, I rarely cooked for myself. For breakfast, I would usually have a piece of bread, sometimes a slice of cake, and a cup of coffee. I ate both lunch and dinner out. During exam periods, when I was busy and exhausted, with no time to eat out and nothing at home, I could go for days surviving only on instant noodles. Now that I'm back in China, being able to enjoy my mom's cooking every day makes me incredibly happy! Even when she prepares just a few simple dishes, I love them all the same, because nothing in the world tastes better than a meal made by Mom.

Lesson 3 这个小区挺好的

课文 1

Wang Yixue: Since Xiaoxue's middle school is quite far from home, let's find a place to live that's closer.
Liu Ming: Sounds good. I'll check online. What do you think about this neighborhood?
Wang Yixue: The surroundings look quite nice, and it's not far from the subway station.
Liu Ming: The inside of the apartment looks good, too. The air conditioner and washing machine are both new.
Wang Yixue: It is nice, but I'm not a fan of living on the first floor.
Liu Ming: This first-floor unit has a small garden. I think we should go and take a look anyway.

课文 2

Wang Yixue: When I came in this morning, the lights were still on.
Liu Ming: I've been swamped these days. I probably forgot to turn them off when I left.
Wang Yixue: The fridge isn't working. Where should I put all this food?
Liu Ming: That's impossible! It's brand new. Let me take a look.
Wang Yixue: Is the washing machine broken, too?
Liu Ming: No, it's fine. But the bathroom hasn't been cleaned yet, so we can't do the laundry.

Wang Yixue: Will we be able to move in this Sunday?

课文 3

Wang Yixue: We've spent quite a lot of money this month.
Liu Ming: Yes, we bought a lot of things for the move.
Wang Yixue: Let's get a credit card. That way, we can pay it off over time. I heard Bank of China offers good service, and we can even get discounts when shopping with their credit card.
Liu Ming: Great! There's a Bank of China branch nearby—just a few minutes' walk from here. When should we go?
Wang Yixue: How about this afternoon?
Liu Ming: I have to go to the hospital this afternoon. I probably won't be back until late.
Wang Yixue: Then I'll go by myself this afternoon.

课文 4

Liu Ming: I think we can move this week. I'll buy some cardboard boxes tomorrow, and we'll be ready in no time. On moving day, I'd like to ask a few friends to help. We can probably finish everything within a day.
Wang Yixue: I don't think we can move until next month. We can start preparing this week and clean the new place next week. With so much to do, we'll need at least two weeks to get everything done. On moving day, we should hire a moving company.

Lesson 4 这家宾馆跟别的都不一样

课文 1

Yang Tongle: How about going somewhere for a vacation?
Wang Yifei: Sure, we can go wherever you'd like.
Yang Tongle: You like the sea—how about staying by the coast for a few days?
Wang Yifei: It's a bit too cold to go to the seaside now.
Yang Tongle: Then let's go to the grasslands. It's not cold there at all.
Wang Yifei: Great idea! I haven't ridden a horse in ages.
Yang Tongle: Exactly! Riding horses, eating mutton, and watching the moon on the grasslands must be wonderful.

课文 2

Yang Tongle: Have you booked the plane tickets for our trip?
Wang Yifei: Yes, I have. The flight departs at a quarter past ten on Saturday morning.
Yang Tongle: Have you chosen the hotel as well?
Wang Yifei: Yes. This hotel is really special—it's unlike any other. The moment you step outside, you can see cows and sheep!
Yang Tongle: Perfect! Let's check what we need to take.
Wang Yifei: We don't need to bring too much. Just don't forget the new camera we bought.
Yang Tongle: I definitely won't. I'll go pack right now.

课文 3

Xiao Li: Welcome! I'm your driver. My last name is Li—just call me Xiao Li.
Yang Tongle: Hello! I'm sorry our flight was delayed, and you've been waiting for a long time.
Xiao Li: That's all right. Besides this suitcase, do you have anything else?
Yang Tongle: Just one more bag—I can carry it myself.
Xiao Li: The car is on the first floor. Please follow me.
Yang Tongle: Is our hotel far from the airport?
Xiao Li: Not far—we'll get there in about thirty minutes. Once you arrive, you can take a short rest first. I'll call you when it's time for dinner.

课文 4

Today is the first day of our trip. We got

up very early to go to the airport, but to our surprise, the flight was delayed. By the time we arrived, it was already dark. Fortunately, our driver, Xiao Li, had been waiting for us at the airport all along and wasn't the least bit impatient. He was extremely warm and friendly, telling us a lot about the local area along the way and even preparing some fruit for us. The hotel room is just as beautiful as I imagined—spacious and clean. I'm very satisfied with it.

Lesson 5 这样的照片才好看

课文 1

Bai Jiayue: It's been cloudy all week, but it's sunny today.
Li Wen: The weather is perfect now! How about going hiking?
Bai Jiayue: Great idea! We can get some exercise and take some nice photos.
Li Wen: I'll bring some water and snacks. Shall we go now?
Bai Jiayue: I'll go back to change into my sneakers and grab my overcoat. Should we invite Yixue to join us?
Li Wen: Good idea. Let's give her a call.

课文 2

Bai Jiayue: Who took these photos for you? Every one of them looks great.
Wang Yixue: Yifei. She's always been interested in photography and often takes pictures of me.
Bai Jiayue: I really like this one where you're laughing—you look so pretty.
Wang Yixue: I think this one is a bit unflattering. I didn't realize she was taking a picture of me at the time.
Bai Jiayue: That's exactly what makes it so great! I like taking photos too. How about I take some pictures of you when we go hiking?
Wang Yixue: Great! Then I can compare which of you two has the better photography skills.

课文 3

Wang Yixue: Jiayue, it's really beautiful here. Let's take some pictures at this spot.
Bai Jiayue: There's no sunlight here. Let's go over there instead.
Wang Yixue: Alright. What do you think of me standing among these trees?
Bai Jiayue: That looks good. Wait a moment—two people are walking behind you.
Wang Yixue: I'm ready. Tell me when you're going to take the photo.
Bai Jiayue: You don't have to look at me. Just do whatever feels natural.
Wang Yixue: Some birds just flew onto the tree. I'll watch them then.
Bai Jiayue: Oh no, the phone's out of battery.

课文 4

Jiayue, I received your email and saw the photos you took of me—every single one is beautiful. I've already told Yifei that your photography skills are better than hers, and she's quite upset about it. Haha. I'm wondering if you're interested in Chinese music. I have a ticket for tomorrow afternoon's concert for you. The concert will finish a little after 7 p.m. Once it's over, come to my place for dinner and try some of my homemade Chinese dishes. What do you think?
